Re: documentary on the Vita Needle company for VPRO-TV

Dear Fred,

We would like to thank you and your staff once again for your help and cooperation during our filming at the Vita Needle company.

We were very much impressed by the motivation and productivity of your employees and grateful for their willingness to tell us all about it on camera. Our 55' documentary entitled "Age no problem" was aired recently by VPRO TV, on Dutch national television and got excellent response.

Wishing you all the best for the future,

Wim Schepens
Director VPRO-TV
